YAHNER Quick filter Czech only Marek Konečný Dnes Yammer group Nové knihy Collected Works of Jan Firbas V Volume Five (1994-2000) Chamonikolasová Jana, Golková Eva, Lukl Jiří The book is the last volume of the Collected Works of Jan Firbas covering the author's work published between 1994 and 2000. During this period, Firbas compares his conception of a functional sentence perspective with other approaches to information structure and focuses on deeper research into biblical texts. A detailed analysis of one of the biblical texts is also the basis of a revealing article on the dynamic-semantic homogeneity of the paradigmatic layers of a text. Firbas's last article, published in Jana Sedláčková Dnes Yammer group Vířda a výzkum na LF MU / R&D at FM MU

Short-term internet outages on Kotlářská campus

Please, be advised that due to the upgrade of network elements, there may be short-term internet outages (including internet networks) throughout the Kotlářská campus from 3 p.m., January 7, 2021. For this reason, it is recommended to plan all urgent activities outside this time.

We apologize for the inconvenience and thank you for your understanding.

19 NOV 2021

New measures at the faculty – yellow traffic light

UPDATED. From Monday, November 22, 2021, the University's traffic lights system will switch to yellow. See exactly what will change at the faculty.
